PURPOSE

This policy will establish guidelines for vendor representative/corporation interactions with residents at Creighton University School of Medicine (CUSOM).

DEFINITIONS

Vendor: any salesperson, representative, consultant or other employee of a company under contract with Creighton or a company seeking to do business with Creighton or clinical partners.

POLICY

Each residency and fellowship training program will appropriately monitor vendor contact with residents to ensure a balanced presentation of information in the interest of resident education. Minimum requirements include:

- Not allowing vendors to meet with residents on a one-to-one basis;
- Vendors only being allowed to meet with groups of residents on an appointment basis and with a faculty representative in attendance; and
- Departmental approval of all vendor handouts

Residents who are contacted directly by vendors are required to discuss any interaction with their Program Director.
