Biography

Dr. John Stone is a physician and philosopher/bioethicist; Professor, Creighton University School of Medicine; Graduate Faculty, the Master's Degree in Health Care Ethics of the Center for Health Policy and Ethics (<http://chpe.creighton.edu/>); and co-founder and co-executive director of Creighton's Center for Promoting Health and Health Equality. The latter Center is a community-academic partnership. His focus is on social justice and population group inequities in health and healthcare, especially unjust inequalities related to race and ethnicity. His efforts include teaching, scholarship/writing, and programs. His teaching in the graduate program in Health Care Ethics has been in research ethics and in health policy and ethics.

See his profile at the above url for further information, publications, and presentations.
