Common First Semester Courses:

Take in First Semester

Take PHL 11X or THL 11X

Take MTH 141/MTH 245 or MTH 161

Other Common Options

- ¹ To satisfy the Ethics requirement, Heider students must complete PHL 270, PHL 271, or PHL 272 (Philosophical Ethics) or THL 270 (Theological Ethics). Any of these four courses fulfill the Magis Common Core: Ethics requirement and the prerequisite for BUS 356 Business Ethics. No other Ethics courses fulfill the prerequisite for BUS 356.
- ² Students pursuing the BSBA Heider Mindset Curriculum must complete a “Kingfisher Concentration” (KC) comprised of at least nine credit hours (typically three courses) drawn from one of the available Kingfisher Concentration options offered by the College of Arts & Sciences and shown in the University Catalog. Additional information:
- Heider students must declare a KC and are strongly encouraged to do so prior to the end of the first semester of their junior year and no later than prior to filing the Application for Degree in their final semester.
 - Students may not pursue a KC and Heider Major in the same discipline unless the student completes a second major. Students may otherwise count KC courses toward completion of a major or minor.
 - Where applicable, students may double-count Magis Common Core courses toward their KC.
 - Students may apply no more than one course taken outside of Creighton toward a KC.
- ³ For the Global and Cross-Cultural business requirement, select among [ACC 538](#) International Accounting, [BIA 492](#) Practicum in International Development, [BUS 492](#) The Business World: An International Travel Course, [ECO 492](#) Practicum in International Development, [ECO 528](#) International Economic Development, [ENT 492](#) Practicum in International Development, [FIN 558](#) International Financial Management, [MKT 363](#) Global Marketing, [ECO 518](#) Comparative Economic Systems, [ECO 538](#) International Economics, [MGT 373](#) International Management. If applicable, students may apply their Cross-Cultural Business course to their Heider Major. No other courses from the Heider Business Core – Upper Division or Heider Business Core – Lower Division may be applied toward a Heider Major.
- ⁴ A candidate for the degree of Bachelor of Science in Business Administration (BSBA) must complete all of the following graduation requirements:
- ☐ Complete all Magis Common Core requirements
 - ☐ Complete Heider Business Core, including General, Lower Division, and Upper Division
 - ☐ Complete requirements for a Heider Major, achieving a GPA of 2.00 or above for all required courses in a major
 - ☐ Complete [BUS 471](#) Strategic Management with a grade of “C” or better (i.e., “C-” or lower is insufficient)
 - ☐ Earn a minimum of 128 credit hours, including:
 - ☐ 48 credit hours in courses numbered 300 or above
 - ☐ 48 credit hours earned at Creighton, including the final 32
 - ☐ 32 credit hours of business coursework earned at Creighton
 - ☐ Achieve overall cumulative GPA of 2.00 or above
- ⁵ Students must earn a minimum of 48 credit hours in courses numbered 300 or above (herein 300+). The combination of the Heider Business Core – Upper Division and Heider Major guarantees a minimum of 39-42 credit hours in 300+ coursework, depending on whether the Global & Cross-Cultural Business requirement is applied (i.e., double counted) toward the Heider Major. Most Kingfisher Concentrations also include some 300+ coursework. Students will, therefore, need as few as 0 and as many as 9 credit hours of 300+ coursework beyond the Heider Business Core – Upper Division, Heider Major, and Kingfisher Concentration.
